Part-Board Contract

Part-board of a school horse entitles the part-boarder to an option of practice rides of approximately 45-60 minutes and the use of the horse during scheduled lessons on a weekly basis. The type of lessons and number of practice rides may vary, according to the individual's needs.

Limits and Restrictions:

1. All horses are to be kept groomed and cared for at all times. **Myrddin Dress Code** and **Code of Conduct and Safety** must be adhered to at all times.
2. Myrddin will provide all tack and equipment which is assigned to each horse. This is not to be altered in any way without permission.
3. Practice rides are limited to flat schooling and hacks. No jumping is permitted unless supervised by an instructor.
4. Myrddin may substitute another horse if your horse is lame or sick or away at a competition. Practice rides and lessons may be rescheduled to allow for competitions.
5. **There are no make-ups for practice rides missed by a rider.**

Re-scheduling of practice rides is at the discretion of Myrddin and only available with advance notice of at least 24 hours. Lesson cancellation policy **must** be adhered to.
